

Helping you find happiness, health, and healing

**Spiritual E-card on moving house**  
**Home is spiritually mental. It's within you.**

**"Home is the dearest spot on earth,  
and it should be the centre, though  
not the boundary, of the affections."**

*Science and Health with Key to the Scriptures*  
By Mary Baker Eddy p. 58

To overcome the stress of moving house, leaving home, or feeling homesick, be like the snail. Take your 'home' with you where ever you go. Home is spiritually mental. It's within you. Take the qualities that make up home – peace, love, security, shelter, with you. That way, you'll never feel that you're leaving home.

*You may move  
house,  
but you never move  
home.*
