Prayer

*For verily I say unto you,
 That whosoever shall say unto this mountain,
 Be thou removed, and be thou cast into the sea;
 and shall not doubt in his heart, but shall believe that
 those things which he saith shall come to pass;
 he shall have whatsoever he saith.
 Therefore I say unto you, What things soever ye desire
 when ye pray, believe that ye receive them,
 and ye shall have them.
 Your Father knoweth what things ye have need of,
 before ye ask Him.* — Christ Jesus.

- 1 The prayer that reforms the sinner and heals the sick is an absolute faith that all things are
- 3 possible to God, — a spiritual understanding of Him, an unselfed love. Regardless of what another may say or think on this subject, I speak from experience.
- 6 Prayer, watching, and working, combined with self-immolation, are God's gracious means for accomplishing whatever has been successfully done for the Christianization and health of mankind.
- 9 Thoughts unspoken are not unknown to the divine Mind. Desire is prayer; and no loss can occur from
- 12 trusting God with our desires, that they may be moulded and exalted before they take form in words and in deeds.

Science, Theology, Medicine

*But I certify you, brethren,
 that the gospel which was preached of me is not after man.
 For I neither received it of man, neither was I taught it,
 but by the revelation of Jesus Christ.* — Paul.
*The kingdom of heaven is like unto leaven, which a woman took,
 and hid in three measures of meal, till the whole was leavened.* — Jesus.

- 1 In the year 1866, I discovered the Christ Science or divine laws of Life, Truth, and Love, and
- 3 named my discovery Christian Science. God had been graciously preparing me during many years for the reception of this final revelation of the absolute divine Principle of scientific mental healing.
- 6 This apodictical Principle points to the revelation of Immanuel, "God with us," — the sovereign ever-pres-
- 9 ence, delivering the children of men from every ill "that flesh is heir to." Through Christian Science, religion and medicine are
- 12 inspired with a diviner nature and essence; fresh pinions are given to faith and understanding, and thoughts acquaint themselves intelligently with God.

[Chapter 7: Physiology](#) - click to read the entire chapter online

Physiology

*Therefore I say unto you,
Take no thought for your life,
what ye shall eat, or what ye shall drink;
nor yet for your body, what ye shall put on.
Is not the life more than meat,
and the body than raiment? — Jesus.
He sent His word, and healed them,
and delivered them from their destructions. — Psalms.*

1 Physiology is one of the apples from "the tree
of knowledge." Evil declared that eating this fruit
3 would open man's eyes and make him as a god. Instead
of so doing, it closed the eyes of mortals to man's God-
given dominion over the earth.

6 To measure intellectual capacity by the size of the
brain and strength by the exercise of muscle, is to
subjugate intelligence, to make mind mor-
9 tal, and to place this so-called mind at the
mercy of material organization and non-intelligent
matter.

Man not
structural

12 Obedience to the so-called physical laws of health has
not checked sickness. Diseases have multiplied, since
man-made material theories took the place of spiritual
15 truth.

You say that indigestion, fatigue, sleeplessness, cause
distressed stomachs and aching heads. Then
18 you consult your brain in order to remember
what has hurt you, when your remedy lies in forgetting
the whole thing; for matter has no sensation of its own,
and the human mind is all that can produce pain.

Causes of
sickness

Fruitage

*Wherefore by their fruits ye shall know them. — Jesus.
That ye might walk worthy of the Lord unto all pleasing,
being fruitful in every good work,
and increasing in the knowledge of God. — Paul.
Let us get up early to the vineyards;
let us see if the vine flourish, whether the tender grape appear,
and the pomegranates bud forth. — Solomon's Song.*
