

Helping you find happiness, health, and healing

Spiritual E-card on Easter
You have eternal life. So live it!

“Life is eternal. We should find this out, and begin the demonstration thereof. Life and goodness are immortal. Let us then shape our views of existence into loveliness, freshness, and continuity, rather than into age and blight.”

Science and Health with Key to the Scriptures
By Mary Baker Eddy p. 246

Easter
commemorates Jesus' glorious
resurrection.

Easter
celebrates his mighty victory
over cross and grave.
Jesus' inspiring achievement
gives us hope. His great example
proves that man as the image
of God, has eternal life.

**The message of Easter is not one of sadness.
It's gladness. You have eternal Life. So live it!**
